

SCHOOL ATTENDANCE POLICY

This Policy should be read in conjunction with the School Absence Enforcement Policy written by Cumbria County Council and revised in February 2018

Blackford C of E Primary School is committed to the principles stated in our document. We strongly believe that all pupils benefit from the education we provide and therefore from regular school attendance. In order to achieve this, we will take appropriate action to ensure that all pupils achieve the maximum possible attendance and that any problems, which may impede full attendance, are acted on as quickly as possible. We believe that the most important factor in promoting good attendance is development of positive attitudes towards school. To this end, we strive to make our school a happy and rewarding experience for all children.

Aims

School aims to ensure that:

- All pupils have an equal right, and access to, an education in accordance with the National Curriculum, or agreed alternative.
- No pupils will be deprived of their education opportunities by either their own absence or lateness or that of other pupils.

It is recognised that:

- The majority of pupils want to attend school to learn, to socialise with their peers, and to prepare themselves fully to take their place in society.
- Many pupils and their parents may need to be supported and rewarded at some stage in meeting their attendance obligations and responsibilities.
- It is the responsibility of parents/carers to ensure their children's attendance at school as required by law (ref Section 7, 1996 Education Act).

Expectations

School expects that all our **pupils** will:

- attend school regularly;
- arrive on time and be appropriately prepared for the day with all equipment needed;
- carry out any work provided by the school during an authorised leave period.

School expects that **parents** will:

- contact school, as soon as is practical, whenever their child is unable to attend school;
- only keep children at home if they have a serious illness or injury. If a child has a minor illness e.g. mild headache, stomach-ache etc. parents should inform the school and bring them in. If they don't get any better, school will contact parents straight away, to collect them.
- endeavour to keep health appointments out of school hours when possible and, if unavoidable, pupils should be brought back to school afterwards;
- inform a member of staff of any reason or problem that may hinder their child from attending school;
- fulfil their legal responsibilities and ensure their child attends school;
- seek permission from the school for any leave of absence. The Headteacher has the right to refuse authorised absence in accordance with LA guidelines (see below for further details).

Parents and children can expect the following from the **school**:

- regular, efficient and accurate recording of attendance in line with national guidelines;
- early contact when a pupil is absent without explanation;
- action on any attendance problem notified to the school;
- referral of specific attendance issues to supporting agencies where appropriate;
- encouragement of, and rewards for, good attendance.

We encourage and reward good attendance by:

- consistent, clear communication with parents and pupils about the importance of regular, prompt, attendance;
- setting targets for improved attendance and sharing these with Governors, parents and pupils;
- the accurate completion of registers at the start of each session, and within 15 minutes of the start of each session;
- attendance reports each half term and an annual report at the end of the school year;
- termly and yearly 100% attendance rewards.

Follow-up action in cases of non-attendance

- School will contact parents on the first day of an absence by 9.30am if no reason has been received (contact will be by telephone).
- If there is no response to the first contact, a letter will be sent to enquire about the unexplained absence.
- If attendance drops below the school target of **96%** (starting from Autumn 2) parents will be notified that this is the case and that attendance needs to improve.
- If attendance drops below 92%, parents will be contacted again and will be asked to meet with the Headteacher to discuss the reason for this and any necessary action will be agreed.
- Attendance will then be monitored closely over a 12 week period.
- Where no improvement in attendance occurs, parents will be requested to attend an Attendance Panel which will comprise the Headteacher and at least one Governor where clear objectives will be set and support offered. Parents will be made clear about the implications of ongoing poor attendance. The LA Access and Inclusion officer may also attend where possible.
- Where there is no response to school intervention, and where the absence or pattern of absence has persisted and attendance drops below 90% without explanation, the school can refer to the Access and Inclusion team at the LA, once the pattern of absence meets the service referral criteria.

Please see the Attendance Flow Chart in the County Council Enforcement Policy for a full overview of how the school will manage poor attendance.

Holiday Absence

Recent changes to legislation have removed the discretionary 10 day period of absence which covered family holidays. Schools are now required to refuse requests for holiday absence in term time.

Headteachers may, however, grant a leave of absence in exceptional circumstances. If parents believe that their circumstances are exceptional, they should make request a leave of absence form from the school office and return it to the Headteacher detailing the reasons behind the request.

The headteacher will not authorise absence unless they believe the circumstances are exceptional. Case law identifies that any holiday or event which can be arranged during school holiday periods should not be authorised during the school term.

In considering a request, the school will also take into account the child’s age, the time of year of the absence, and the reason for the visit. The headteacher will also consider the child’s stage of education and progress and the child’s overall attendance record.

Parents are therefore strongly encouraged to avoid booking family holidays during term time.

The Headteacher will consider each request on a case by case basis and will respond promptly.

If exceptional circumstances do exist and leave is granted, parents must ensure their child catches up with any missed work on their return.

Penalty Notices for Unauthorised Holiday in Term Time

*“Penalty Notices will not be used as an **automatic** sanction against parents who take unauthorised holidays in term time, but may be issued in certain circumstances. Each situation should be considered individually.”*

Taken from the County Council Enforcement Policy 2016.
